

GRIT GI 150 2H

Basic belt grinder, 150 mm switchable

High-performance belt grinder, modular expandable, for industrial and series applications, ideal for machining stainless steel.

Product number: 7 902 05 00 40 3

Details

- + Expandable because of additional modules.
- + Quite robust AC motor provides grinding with steady speed.
- + Speeds optimal for metal and stainless steel working at 1 500/3 000 rpm.
- + Detachable swarf collector.
- + Connection for extraction option available.
- + Drive disk with polyurethane coating
- + Work level is individually adjustable.
- + Patented belt-tensioning system.
- + Low vibrations.

Price includes

- + 1 CEE plug (16 A)
- + 1 grinding belt 150 x 2,000 mm (K 36 R)
