

PRODUCT NUMBER: 1011933
**Bionic Faceshield-Clear,
Acetate Uncoated Visor**

Honeywell

Overview

Reference Number

1011933

Product Type

Eye and Face Protection

Range

Faceshields

Line

Bionic

Brand

Honeywell

Brand formerly known as

PULSAFE

Industry

- Industry
- Automotive and Part Manufacturer
- Building and Construction
- Chemical Industries
- Food Industries
- Maintenance
- Welding

Product Use

Automotive Industry, Building Industry, Chemical Industry, Cold Insulation, Food Industry, General Industry, Heavy Industry, Manufacturing, Outdoor Work, Paint Spraying, Welding Industry

Features & Benefits

Feature

Large superior-quality visor

Benefit

It provides maximum visibility

Certifications

EU Category PPE

2

Quality Assurance
